The Texas Book Festival's Library Grants are made possible through the generosity of individual, corporate, and foundation sponsorships, funds raised from the annual Gala, and book sales during the annual Book Festival on the grounds of the Texas State Capitol. The Texas Book Festival has awarded more than \$2.5 million in library grants since 1996. Applications for 2010 grants will be available on our website, texasbookfestival.org, in late October 2010. All Texas public libraries are welcomed to apply.
