Create a map showing all of those special places and create a route for your drive. Share it with others.

Design a mural that reflects their family history, community history, or the values that are important to you. Use chalk to draw it on the sidewalk outside your house!

Get to know the author! Visit her website here:

Create a virtual welcome banner for the author! Don't forget to include photos and drawings or you own home/community.

Flip back to your favorite page of the book and try your best to recreate it! Did you notice more details in the book during this process?

Make the story come to life with your crayons! Pick a coloring page to work on with a sibling:

Ask your grandparent to describe what their neighborhood looked like growing up. Use their descriptions to illustrate their hometown!

Create a flip book that animates a motorcycle! Use this example for inspiration:
